

Ребус на английском языке по теме: Страны
(по английскому описанию флага догадайтесь, о какой стране идёт речь, пользуйтесь названиями стран в рамке)

FLAG IDENTIFICATION

Most Americans can readily identify the flag of the United States with its thirteen red and white stripes representing the original colonies and its 50 white stars on a blue background representing each of the 50 states. The flags of other countries also have symbolic meanings. Many are quite easily recognized.

How many flags can you match with the country they represent? Choose countries from the WORLD BANK and put them on the blanks.

Hint: If you need help, an almanac is a great resource!

1. red circle on white
2. white star on blue
3. white cross on red
