Yuck! I **don't** like snakes!

The maze consists of several paths. At the top left, a box labeled 'snakes' is connected to a path that leads to a cartoon snake with large eyes. At the top center, a box labeled 'insects' is connected to a path that leads to two ants. At the top right, a box labeled 'ants' is connected to a path that leads to a group of ants. At the bottom left, a box labeled 'bees' is connected to a path that leads to two bees. A speech bubble on the right side of the maze contains the text 'Yuck! I don't like snakes!'. To the right of the maze, there are two partial illustrations of a person's face, one above the other.
