

Ребус на английском языке: Водоплавающие птицы
(Найдите английские трехбуквенные слова «спрятанные»
в названиях водоплавающих птиц)

WATER BIRDS

These water birds seem to have swallowed some three-letter words. See how many of them you can find. Some of the birds weren't hungry, though!

albatross	gannet	murre
auk	goose	pelican
booby	grebe	penguin
cormorant	gull	plover
coot	heron	puffin
curlew	kittiwake	stork
bittern	loon	swan
crane	mallard	tern
